(a) Charters. The Parties may charter space and/or vessels between themselves in the Trade, either directly or through affiliates. The Parties may from time to time agree on the number of vessels or containers or amount of space to be chartered, the rates, charges or other compensation to be paid or otherwise exchanged for said matters, and other terms and conditions of any charter hereunder.

In exercising their authority under this Article 5, the Parties may discuss and agree on the deployment and utilization of up to 8 vessels in the Trade having an average capacity of up to approximately 6,000 TEUs per vessel, including, without limitation, the addition, withdrawal and substitution of vessels, sailing schedules, service frequency, ports to be served, port rotations, type and size of vessels to be used, the addition or withdrawal of capacity from the Trade, and the terms and conditions of any such addition or withdrawal.

Without limiting their authority under this Article 5, the Parties agree that, initially: (i) they will operate a string of 6 vessels of approximately 3500 TEUs each, 4

of which will be provided by HLCL CPS and 2 of which will be provided by APL (it being understood that the 2 vessels to be provided by APL may be chartered by APL from HLCL CPS or one of its corporate affiliates). (ii) The string will call California, Mexico and the Far East. The Parties may exercise the authority granted by this Article 5 to discuss and agree, pursuant to Article 8, on changes to the foregoing, subject to the limitations set forth above concerning geographic scope and number and size of vessels.

(b) Slots shall not be chartered to unaffiliated non-parties without the consent of the other Party. ARTICLE 11: ARBITRATION

(a) Except as otherwise provided herein, any dispute or claim arising hereunder which is not amicably settled by the Parties shall be settled by arbitration. Unless otherwise agreed, arbitration shall be held in New York, N.Y. by a panel of three arbitrators familiar with ocean container shipping, unless the Parties can agree on a single arbitrator, none of which shall have any interest in or with either Party. Arbitration shall be conducted under title 9 of the United States Code and otherwise in accordance with the arbitration Rules of the Society of Maritime Arbitrators, Inc.

(b) Either Party hereto may call for such arbitration by service upon the other at the address specified in Article 13 hereof of a written notice specifying the name and address of the arbitrator it chooses and a brief description of the disputes or differences which such party desires to put to arbitration. In the event that the two arbitrators fail to appoint a third arbitrator within twenty days of the appointment of the second arbitrator, either arbitrator may apply to a judge for any court of competent jurisdiction in New York, N.Y. for the appointment of a third arbitrator, and the appointment of such arbitrator by such judge on such application shall have precisely

the same force and effect as if such arbitrator had been appointed by the two arbitrators. Until such time as the arbitrators finally close the hearings, either Party shall have the right by written notice served on the arbitrators and on the other Party to specify further disputes or differences under this Agreement for hearing and determination.

(c) The arbitrators, by majority vote in writing, may award damages and expenses which they deem proper. In addition, the arbitrators shall assess the costs of the arbitration including interest, pre-judgment interest, their fees and reasonable attorney's fees, against either party, or both, in such manner as they shall set forth in their written findings of facts and conclusions. Such decision shall be final and conclusive, shall be rendered within 90 days of the final submissions of the Parties, including briefs, and may be enforced in a court of competent jurisdiction.
